REPORTING OF FRAUDS BY AUDITORS

During the year under review, neither the statutory auditors nor the secretarial auditors has reported to the Audit Committee under Section 143(12) of the Companies Act, 2013 any fraud committed against the Company by its officers or employees, the details of which need to be mentioned in the Board's Report.

PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS:

Your Company has not given any loan, or provided any guarantee and no investments were made during the year under review.

WHISTLE BLOWER POLICY/ VIGIL MECHANISM SYSTEM:

The Company as per the section 177 of the Companies Act, 2013 and applicable clause of the Listing Agreement formulated the Vigil (Whistle Blower) Mechanism which aims to provide a channel to the Directors and employees to report to the management instances of unethical behavior, actual or unsuspected fraud or violation of the Company's code of conduct. The policy provides adequate safeguard against victimization of employees and Directors who avail of Whistle Blower/Vigil Mechanism and also provide for direct access to the Chairman of the Audit Committee etc.

RELATED PARTY TRANSACTIONS:

There were no related party transactions during the financial year ended 31st March, 2024. Therefore, the provisions of Section 188 of the Companies Act, 2013 were not attracted. Further, there are no materially significant related party transactions during the Financial Year under review made by the Company with Promoters, Directors, Key Managerial Personnel or other designated persons which may have a potential conflict with the interest of the Company at large. Thus, disclosure in Form AOC-2 is not required.

PERFORMANCE EVALUATION:

Pursuant to the provisions of the Companies Act 2013, the Board has carried out an annual performance evaluation of its own performance, the directors individually as well as the evaluation of the working of its Audit, Nomination & Remuneration and Stakeholders Committee. The Board of Directors expressed their satisfaction with the evaluation process.

COST AUDIT

In accordance with the provisions of Section 148 of the Companies Act, 2013 and the Companies (Audit and Auditors) Rules, 2014 the Company was not required to appoint Cost Auditor to audit the cost records.

PARTICULARS OF EMPLOYEES

COMPANY'S POLICY ON APPOINTMENT AND REMUNERATION

The Nomination and Remuneration Committee of the Board has formulated the Nomination and Remuneration Policy, which broadly laid down the various principles for selection, appointment and payment of remuneration. The said policy provides the procedure for selection and appointment of Board Members, Key Managerial Personnel (KMPs) and Senior Management Personnel (SMPs) of your Company along with detailed framework for remuneration to be paid to the members of the Board of Directors, Key Managerial Personnel (KMPs) and the Senior Management Personnel (SMPs) of the Company. The Nomination and Remuneration Committee identifies suitable candidates in the event of a vacancy being created on the Board on account of retirement, resignation or demise of an existing Board member. Based on the recommendations of the Committee, the Board evaluates the candidate(s) and decides on the selection of the appropriate member. The Committee along with the Board, reviews on an annual basis, appropriate skills, characteristics and experience required of the Board as a whole and its individual members. The Board members should be qualified, independent and have positive attributes. Brief aforesaid Policy has been produced as hereunder:

- (i) The remuneration policy aims to enable the Company to attract, retain and motivate highly qualified members for the Board and other executive level.
- (ii) The remuneration policy seeks to enable the Company to provide a well-balanced and performance-related compensation package, taking into account shareholder's interests, industry standards and relevant Indian corporate regulations.
- (iii) The remuneration policy will ensure that the interests of the Board members & senior executives are aligned with the business strategy and risk tolerance, objectives, values and long-term interests of the Company and will be consistent with the "pay-for-performance" principle.
- (iv) Remuneration package largely consists of basic remuneration, perquisites, allowances and performance incentives. The components of remuneration vary for different employee grades and are governed by industry patterns, qualifications and experience of the employee, responsibilities handled by him, his individual performances, etc.

INTERNAL FINANCIAL CONTROL:

The Company's internal control system is designed to ensure operational efficiency, protection and conservation of resources, accuracy and promptness in financial reporting and compliance with laws and regulations. Efforts are made by the management to maintain a sound financial and commercial practice capable of improving the efficiency of the operations and sustainability of the business. The system ensures that all the assets are safeguarded and protected against loss from unauthorized use or disposition and those are authorized, recorded and reported correctly. All operating parameters are monitored and controlled. The Audit Committee of the Board of Directors also reviews the adequacy and effectiveness of internal control systems and suggests improvement for strengthening them, from time to time.

RISK MANAGEMENT POLICY:

Risk Management is the process of identification, assessment and prioritization of risks followed by coordinated efforts to minimize, monitor and mitigate/control the probability and/or impact of unfortunate events or to maximize the realization of opportunities. The Company has laid down a comprehensive Risk Assessment and Minimization Procedure which is reviewed by the Board from time to time. These procedures are reviewed to ensure that executive management controls risk through means of a properly defined framework.

SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS:

There are no significant and material orders passed by the Regulators/Courts that would impact the going concern status of the Company and its future operations

CONSERVATION OF ENERGY, TECHNOLOGICAL ABSORPTION AND FOREIGN EXCHANGE EARNINGS & OUTGO:

MANAGEMENT DISCUSSIONS & ANALYSIS

1) Industry structure and developments

- a. India's development and construction industry will continue to expand over the forecast period (2024–2027), with investments in infrastructure, residential and energy projects continuing to drive growth. Various government flagship programs – including 100 Smart Cities Mission, Housing for All, Atal Mission for Urban Rejuvenation and Transformation (AMRUT), Make in India and Power for All – will be the growth drivers. Due to industrialization, urbanization, a rise in disposable income and population growth the demand for construction services is set to rise. Government efforts to improve the country's residential and transport infrastructure will also support growth.
- b. In this regard the company may resort to Further Public Offer (FPO) or follow on offer in terms of either a fresh issue of shares or convertible securities to the public or an offer for sale to the public,

2) Opportunities and Threats

Opportunities

India has a diversified financial sector undergoing rapid expansion, both in terms of strong growth of existing financial services firms and new entities entering the market. The sector comprises commercial banks, insurance companies, non-banking financial companies, co-operatives, pension funds, mutual funds and other smaller financial entities. The Government of India has introduced several reforms to liberalize, regulate and enhance this industry. The Government and Reserve Bank of India (RBI) have taken various measures to facilitate easy access to finance for Micro, Small and Medium Enterprises (MSMEs). These measures include launching Credit Guarantee Fund Scheme for Micro and Small Enterprises, issuing guideline to banks regarding collateral requirements and setting up a Micro Units Development and Refinance Agency (MUDRA). With a combined push by both government and private sector, India is undoubtedly one of the world's most vibrant capital markets.

Threats

Indian money market is relatively underdeveloped when compared with advanced markets like New York and London Money Markets. Various problems of money markets in India include Dichotomy, Lack of Coordination & Integration, Diversity in the Interest Rates, Seasonality in the markets, shortage of funds, absence of a developed Bill market, Inefficient management etc.

There are different rates of interest existing in different segments of money market. In rural unorganized sectors the rate of interest is high and they differ with the purpose and borrower. There are differences in the interest rates within the organized sector also. Although wide differences have been narrowed down, yet the existing differences do hamper the efficiency of money market.

One of the major problems of Indian Money Market is its inefficient and corrupt management. Inefficiency is due to faulty selection, lack of training, poor performance appraisal, faulty promotions etc. For the growth and success of money market, there is need for well trained and dedicated workforce in banks. However, in India some of the bank officials are inefficient and corrupt.

3) Business Segment

In absence to working capital and finance, there are no such reportable business segments during the year. The Company was in to the business of broking and commission during the year under review.

4) Risk Management & Concerns

The Company's business-related software is operated on a server with regular maintenance and back-up of data and is connected to separate server. The system's parallel architecture overcomes failures and breakdowns. Reliable and permanently updated tools guard against virus attacks. The global communication network is managed centrally and is equipped to deal with failures and breakdowns. Updated tools are regularly loaded to ensure a virus free environment.

5) Internal Control Systems and Adequacy

The Company has satisfactory internal control system. Audit Committee reviews internal audit reports and oversees the internal control system of the Company. The Company has implemented a comprehensive system of internal controls and risk management systems for achieving operational efficiency, optimal utilization of resources, credible financial reporting and compliance with local laws. These controls are regularly reviewed by both internal and external agencies for its efficiency and effectiveness. Management information and reporting system for key operational activities form part of overall control mechanism.

6) Cautionary Statement

Certain statements under “Management Discussion & Analysis” describing the Company’s objectives, projections, estimates, expectations or predictions may be forward looking statement within the meaning of applicable securities laws and regulations. Although the expectations are based on reasonable assumptions, the actual results could materially differ from those expressed or implied, since the Company’s operations are influenced by many external and internal factors beyond the control of the Company. The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statements, on the basis of any subsequent developments, information or events.

INDEPENDENT AUDITOR'S REPORT

TO
THE MEMBERS OF
VAISHNO CEMENT COMPANY LIMITED,

REPORT ON THE STANDALONE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of Vaishno Cement Company Limited (“the Company”), which comprise the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss, the statement of change in equity, the statement of Cash Flow statement for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013(‘the Act’) in the manner so required and gives a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31st, 2024, its Profit, changes and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified u/s 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirement that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

INFORMATION OTHER THAN THE FINANCIAL STATEMENT AND AUDITOR’S REPORT THEREON

The Company’s board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board’s Report including Annexures to Board’s Report, Business Responsibility Report but does not include the financial statements does not cover the other auditor’s report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidated the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

AUDITORS' RESPONSIBILITY FOR THE AUDIT OF FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material i individually or in the aggregate, they could reasonably be expected to Influence the economic decisions of users taken on the basis of these financial statements

As part of an audit in accordance with SA we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of Internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) of the Companies Act, 2013, we are also responsible for expressing your opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our

conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation

We communicate with those charged with governance regarding among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in Internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

“Annexure B” to the Independent Auditor’s Report of even date on the Standalone Financial Statements:

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Vaishno Cement Company Limited** (“the Company”) as of 31st March, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Opinion

We have audited the internal financial controls with reference to financial statements of **Vaishno Cement Company Limited** (“the Company”) as of 31st March, 2024 in conjunction with our audit of the financial statements of the Company for the year then ended.

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31st March, 2024 based on the internal financial controls with reference to financial statements criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.(the “Guidance Note”).

Management’s Responsibility for Internal Financial Controls

The Company’s management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statement criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013, (hereinafter referred to as “the Act”).

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES ON FINANCIAL STATEMENT FOR THE YEAR ENDED ON 31ST MARCH, 2024.

1. Statement of Significant accounting policies

General Information

Vaishno Cement Company Limited (“the company”) is an entity incorporated in India under the provisions of Companies Act, 1956. The registered office of the Company is located at 14B, Ram Chandra Moitra Lane, Kolkata- 700005.

1. Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of these separate financial statements of the Company. These policies have been consistently applied to all the periods presented, unless otherwise stated.

(a) BASIS OF PREPARATION AND PRESENTATION

i) Compliance with Ind AS

The separate financial statements have been prepared in accordance with the Companies (Indian Accounting Standard) Rules, 2015 under the historical cost convention as a going concern on an accrual basis except for certain financial instruments which are measured at fair value. The financial statements up to year ended 31 March 2017 were prepared earlier in accordance with the accounting standards notified under the Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following: – equity investments in entities other than subsidiary, joint ventures and associate which are measured at fair value; – Certain financial assets and liabilities that are measured at fair value; – defined benefit plans – plan assets measured at fair value.

(iii) Use of estimates

In preparing the financial statements in conformity with generally accepted accounting principles, management is required to make judgements, estimates and assumptions that may affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities as at the date of financial statements and the amounts of revenue and expenses during the reported period. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of facts and circumstances as at the date of the financial statement. Actual results could differ from those estimates. Estimates and underlying assumption are reviewed on an ongoing basis. Any revision to such estimates is recognized in the period the same is determined.

(b) PROPERTY, PLANT AND EQUIPMENT

During the year under review the Company has no fixed assets.

(c) INTANGIBLE ASSETS

During the year under review the Company has no Intangible Assets.

(d) FINANCIAL INSTRUMENTS

i) Financial Assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the right to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial assets are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

ii) Financial Liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire. The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different.

(e) CASH & CASH EQUIVALENT

Cash and Cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short term highly liquid investments. To be classified as cash and cash equivalents, the financial asset must be readily convertible into cash; - have an insignificant risk of changes in value; and - have a maturity period of three months or less at acquisition.

(f) REVENUE RECOGNITION

Revenue is recognized on accrual basis

(g) EMPLOYEE BENEFITS

Liabilities for wages and salaries that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

(h) LEASES

During the year under review the Company had not entered into any leasing agreements.

(i) FOREIGN CURRENCY TRANSACTION

During the year under review no foreign currency transactions were entered into by the Company.

(j) TAXES ON INCOME

The tax expense for the period comprises of current and deferred income tax.

i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the Income Tax authorities, based on tax rates and laws that are enacted/prevaling at the Balance Sheet date.

ii) Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which liability is settled or the asset is realized, based on tax rates and tax laws that have been enacted and/or substantively enacted at the end of reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

(k) DIVIDENDS

During the year under review the company has not declared any dividend.

(l) EARNINGS PER SHARE

Basic and Diluted Earnings per share is calculated by dividing the net profit attributable to equity shareholders by weighted average number of equity shares/dilutive potential equity shares outstanding as at end of the reporting period as the case may be.

(m) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

A provision is recognised if, as a result of a past event, the Company has a present obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognised at the best estimate of the expenditure required to settle the present obligation at the balance sheet date. The provisions are measured on an undiscounted basis. Provision in respect of loss contingencies relating to claims, litigation, assessment, fines, penalties, etc. are recognised when it is probable that a liability has been incurred and the amount can be estimated reliably. A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed, unless the possibility of outflow of resources is remote. Contingent assets are neither recognised nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

(n) INVENTORIES

During the year under review Company has no inventory.

(o) ASSETS HELD FOR SALE

Noncurrent assets are classified under 'Assets held for sale' if their carrying amount is intended to be recovered principally through sale rather than through continuing use. The condition for classification as 'assets held for sale' is fulfilled when the non-current asset is expected to be sold immediately and it is highly probable that such sale will be completed within one year from the date of classification as 'assets held for sale'.

2. Recent accounting pronouncements

New standards/amendments that are not yet effective and have not been early adopted: Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1st, 2021.

3. Significant estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the company's accounting policies.

This note provides information about the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

NOTE 18:- FINANCIAL RISK MANAGEMENT

(a) Risk Management Framework

In the ordinary course of business, the Company is exposed to a different extent to a variety of financial risks: foreign currency risk, interest rate risk, liquidity risk, price risk and credit risk. In order to minimize any adverse effects on the financial

(b) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in financial. The carrying amount of financial assets represents the maximum credit exposure. The Company monitor credit risk very closely both in domestic and export market. The Management impact analysis shows credit risk and impact assessment as low.

Trade and Other Receivables

Credit risk is the risk that a customer may default or not meet its obligations to the company on a timely basis, leading to financial losses to the Company. The management has an advance collection /credit policy criteria in place and the exposure Investments are reviewed for any fair valuation loss on periodically basis and necessary provision/fair valuation adjustments has been made based on the valuation carried by the management to the extent available sources, the management does Trade Receivable, Trade Payable, Short Term Borrowings and Short Term Loans and Advances balances are subject to confirmation and reconciliation

(c) Liquidity Risk management

Ultimate responsibility for liquidity risk management rests with the board of directors. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast

Note 19 : Employee Benefits

Provision for retirement benefits to employees was not provided on accrual basis, which is not in conformity with Ind AS19 and the amount has not been quantified because actuarial valuation report is not available. However, in the opinion of the management the amount involved is negligible and has no material impact on the Profit & Loss Account.

Note 20: Valuation of investments in Unquoted shares

As the intention is to hold the unquoted securities for sale in short term and in absence of flow of periodic data, absence of liquidity and market related data closing stock of unquoted shares are valued at cost.
